

DS4

WIRELESS BOOKSHELF SPEAKERS

A SOUND DESIGN

The DS4 wireless bookshelf speakers offer a sleek, contemporary design with an incredible acoustic performance. Wrapped in a white or black stitched leatherette, these speakers accent any home décor.

SIMPLE WIRELESS SYNC

These bookshelf speakers utilize Bluetooth[®] wireless technology for music streaming from your phone, tablet or computer.

EASY CONTROLS

The DS4 wireless bookshelf speakers feature an easy-to-use control pad for volume, pause/play, fast-forward, rewind, and source selection.

PLUG + PLAY

Quickly connect your DS4 wireless bookshelf speakers to your TV or computer via stereo analog inputs to bring life to your movies, music and games. A separate USB port acts as a charging station for your electronic devices.
